"I purchased our truck with the elite bed. It is one of the best purchases I've ever made! It has great storage capacity, a beautiful design and since it's made of aluminum it increased our towing capacity and I'm sure savings on fuel." - Bob S.

"The workmanship and quality of this bed is awesome and the compliments are amazing!"- James P.

"I personally like the Utility Bodywerks beds. It gives you lots of storage, lots of clearance and looks great." - Jack M.

"This company is the right answer... Best move we could have made." - Doug S.
